Registering for myCarenc

Your new healthcare benefits experience is about to begin. Below are instructions to guide you through the simple registration process.

STEP 1

Go to mycarehc.com/iag

STEP 2

You will click on "New here? Sign up" to create a new account

STEP 3

Then, enter in your Member ID

CHARGE STATE	1212	100 A	1.12
1 (B) = 1	1.1	Welcome to myCare	122
Welcome to myCare	~	New here? Sign up.	Sec.
Username	1 23		1
Password		Log In	
Forgol your lawriams? Forgol your password?	No.	Get the app.	
Login	and a	COLUMN AND	100
Get the app.		and the second	a new second

Step 4

Verify your information

 Once you confirm your information, click the verify button and you'll be sent a verification code to that email address.

STEP 5

After verifying your information, proceed with remaining prompts to create your username and password in the registration process.

And that's it!

*IMPORTANT (STEP 4):

If you don't receive verification emails, it's likely due to security restrictions set by your IT department. To resolve this, please use a different email address, preferably a personal one. To make this change, simply click on "Update".

Scan to Download

You can also register for your myCareHC account through the myCareHC app.

If you have any questions, please call our Member Service team at 800.843.3831.
