

Personify Health is dedicated to simplifying your healthcare management

Personify Health helps your employer administer the health plan by processing members' claims, answering their questions and performing other functions related to health benefits. As your health benefits administrator, Personify Health is committed to providing you with the right tools to easily navigate your health plan.

Access your health plan benefits anywhere, anytime.

When you enroll and your health plan coverage begins, watch for an email to activate your account. Follow the progress bar as you complete these easy steps:
